著者:Gyls, Barbara A./ Wedding, Mary Ellen

出版者:F a Davis Co

出版时间:2005-1

装帧:Pap

isbn:9780803612891

The new edition of this classic text uses a word-building and body systems approach to help students learn medical terminology and achieve a high level of competence. It

combines the format of a classroom teaching text with that of a workbook, focusing students on the terms they need to learn while also helping them develop an extensive medical vocabulary on their own.
