Students are continually searching for more questions and answers to test themselves and to review for course exams and boards. Board Buster Step 1 is based on the guidelines of the USMLE Step 1 exam. It contains two complete practice exams with

over 700 board format and content questions. These will be divided into blocks to simulate the exam. Students can time each block to simulate a test experience for endurance. Questions, with answers for correct and incorrect options, have been written by students and reviewed for accuracy. Features of the book include tear-out answer sheets to optimize study time, content index to test specific content, comprehensive index to search for specific content, accurate and current board format questions. This comprehensive Q&A book will provide a superior review resource for medical students and IMGs. It is also applicable for physician assistants and nurse practitioners studying for licensure exams.
