装帧:HRD

isbn:9780763745783

This outstanding series of annual updates in oncology addresses fifteen to twenty of the most important hot topics in the field. Under the careful direction of Drs. DeVita, Hellman, and Rosenberg, each annual volume in this exciting series presents concise summaries of the state of the art in cancer basic science and clinical application, written by the top researchers and clinicians in the world. Each volume covers critical issues in clinical cancer care and research in a scholarly though readable style.
