著者:Bracht, Neil

出版者:Sage Pubns

出版时间:1998-12

装帧:Pap

isbn:9780761913047

Like the First Edition, this book serves as a guide to the science and art of community health promotion. The last decade of research and development has considerably advanced the science of achieving and maintaining health. In this new edition, international contributors share their experiences and expertise about diverse health promotion and point out areas needing adjustment in community implementation, both on an international and domestic level.
