

# Cultural and Linguistic Diversity Resource Guide for Speech-Language Pathologists

[Cultural and Linguistic Diversity Resource Guide for Speech-Language Pathologists\\_下载链接1](#)

著者:Goldstein, Brian

出版者:Thomson Learning

出版时间:1999-11

装帧:Pap

isbn:9780769300313

This comprehensive guide is designed for speech-language pathologists who work

with individuals from culturally and linguistically diverse populations. It bridges the gap between existing research and the use of that information in clinical practices. It includes easy-to-access information on normative data, assessment techniques, intervention approaches, and resources. Practical information is included to help readers provide speech and language services that meet the needs of culturally and linguistically diverse populations.
