著者:Jeremy Cooper (editor)

出版者:Jessica Kingsley Publishers

出版时间:2001-01

装帧:Paperback

isbn:9781853028366

This is an up-to-date discussion of all aspects of the law as it applies to disability. It provides information on: legal definitions of disability - both physical and mental; rights and entitlements to housing, education, social security and services for children; the social model of disability; European and international perspectives; and implications for research.
