出版者:Lippincott Williams & Wilkins

出版时间:2001-12

装帧:Pap

isbn:9780781733526

Primary Care Medicine Recommendations is a portable decision-support tool for quick answers to more than 230 clinical problems seen in the outpatient setting. This easy-to-use pocket book presents specific recommendations for screening, workup, and management that help clinicians formulate effective treatment and management plans. Primary Care Medicine Recommendations is also available electronically for use on handheld computers. See Media Products section for details.
