For courses in Rescue Techniques, Tactical/Disaster/Rescue, Emergency Medical Technician (Basic/Intermediate), and Paramedic. Terrorism Emergency Response is an ideal resource for the critical thinking and response preparation needed by all emergency response personnel-EMS, fire, rescue, and law enforcement. The workbook begins by providing basic information regarding terrorist incidents and the agents commonly faced during these incidents. It follows with seventy case-based scenarios that any responder can use to help sharpen their decision-making skills.
