出版者:Springer Verlag

出版时间:2008-4

装帧:HRD

isbn:9781588297303

This book investigates the growing and ever-changing health issues for girls and women who lead an active lifestyle and participate in sports and exercise. Easy to read, the volume provides an educational foundation for understanding how disordered eating, amenorrhea, and osteoporosis can be interrelated while also looking at image disorders and reproductive health. It contains thorough analysis of common prevention and management techniques, and provides useful links to resources on the internet for additional screening tools.
