More than six thousand individuals receive liver transplantations each year. Whether you or a loved one is contemplating liver transplantation, on the waiting list for liver transplantation, or are a transplant recipient, the options and information about this surgery can be overwhelming. This invaluable resource offers the guidance and advice you need. Written by a prominent physician, *100 Questions & Answers About Liver Transplantation: A Lahey Clinic Guide* gives you authoritative, practical answers to your pre- and post-surgery questions about indications, evaluation, medications and side effects, living donor transplantation, and much more.
