Pharmacology Principles: Roadside Assistance presents and reinforces the core principles of pharmacology through a dynamic DVD and workbook package with a unique, engaging approach. The friendly and fun Alan Agins guides you through challenging concepts in a humorous, non-threatening manner.

- \* DVD features Alan Agins in 10 presentations (40 minutes) of dynamic video footage covering the core pharmacology principles all nursing students need to know.
- \* Workbook introduces, summarizes, and reinforces the principles depicted in the DVD.
- \* Each workbook module concludes with a variety of learning activities and a Test Your Knowledge quiz section including NCLEX examination-style review questions.
- \* Individual DVD/workbook modules address drug therapy for pediatric, older adult, and pregnant and lactating patients.
- \* Glossary reviews important, often confusing, terminology.
- \* Unique approach engages and teaches in a way no other pharmacology text can.
