

Nurse's Pocket Drug Guide 2007

[Nurse's Pocket Drug Guide 2007_下载链接1](#)

著者:Barberio, Judith A.

出版者:McGraw-Hill

出版时间:2006-8

装帧:Pap

isbn:9780071479059

This title is updated annually! It includes up-to-the-minute coverage of 1000 of the

most commonly prescribed medications. Organized alphabetically by generic drug name, here is everything you need to know when prescribing and administering medications: common usage; mechanism of action; dosage; side effect; drug interactions; laboratory test findings; nursing implications; patient education for each drug and herb; new drugs approved by the FDA; new tables, including the WHO analgesic ladder for pain, guidelines for asthma management, and much more; and, new list of medicinal herbs.
