Established for over 40 years as the "bible" of the medical ward, The Washington Manual(R) of Medical Therapeutics is now in its Thirty-Second Edition and builds upon that proud tradition--with even more of the current information you need, delivered in a timesaving, quick-reference style. Its portability, comprehensiveness, and ease of access makes it a favorite on-call resource for housestaff and faculty around the world. Continuing the tradition of excellence, each chapter has been updated and reformatted for easier access to the information the reader needs. Platform: Palm OS, Windows CE, and Pocket PC handheld devices The Washington Manual(R) is a registered mark belonging to Washington University in St. Louis to which international legal protection applies. The mark is used in this publication by LWW under license from Washington University. Also Available for iPhone/iPod touch
