This authoritative reference book assembles the experience of an international faculty of authors, each of whom has performed several thousand facelifts, i.e. procedures to rejuvenate and harmonize the human face. The authors share their experience, including tips and tricks, as well as ways to avoid complications and pitfalls. All procedures in this regard are covered and the text is accompanied by extensive artwork and photographs. A kaleidoscope of 363 important aspects, tips and tricks in facial plastic surgery rounds up the presentation. The included DVD further enhances the practical value of the book with videos of procedures performed by the editor.
