

# ESMO Handbook on Principles of Translational Research

[ESMO Handbook on Principles of Translational Research\\_下载链接1](#)

著者:Mellstedt, Hakan (EDT)/ Schrijvers, Dirk (EDT)/ Bafaloukos, Dimitrios (EDT)/ Griel, Richard (EDT)

出版者:Taylor & Francis

出版时间:2007-4

装帧:Paper

isbn:9780415410915

This source presents the principles of cell biology, cellular pathways, and their implications for drug development in oncology. Using state-of-the-art and evidence-based literature references and reviews, with illustrations as necessary, the authors present an overview that is both reliable and easily understood.
