"The Year Book of Pediatrics" brings you abstracts of the articles that reported the year's breakthrough developments in pediatrics, carefully selected from more than 500 journals worldwide. Expert commentaries evaluate the clinical importance of each article and discuss its application to your practice. There's no faster or easier way to stay informed! This annual covers all aspects of pediatric care from infectious diseases and immunology, adolescent medicine, therapeutics and toxicology, child development, dentistry and otolaryngology and neurology and psychiatry. "The Year Book of Pediatrics" publishes annually in December of the preceding year.
