著者:Jain, Nutan

出版者:McGraw-Hill

出版时间:2006-11

装帧:HRD

isbn:9780071485791

A team of international experts teaches laparoscopic suturing in this full-color resource. Unlike most other surgical resources which offer only brief, peripheral

coverage of basic laparoscopic skills, this full-color atlas provides readers with everything needed to master the tools, knots, and pathways of minimal access surgery suturing. Along with expert text and 500 full-color photos, the author includes 2 DVDs with 18 surgical video clips.
