出版者:Hal Leonard Corp

出版时间:2004-8

装帧:Pap

isbn:9780879101978

This bountiful anthology combines all the key early writings on film noir with many newer essays, including some published here for the first time. The collection is assembled by the editors of the Third Edition of *Film Noir: An Encyclopedic Reference to the American Style*, now regarded as the standard work on the subject.
