Firsthand knowledge and advice on every aspect of forming a film production company can be found in this one source. Film production company owners, entertainment attorneys, accountants, and distributors answer the most commonly asked questions on forming and running a successful film production company. They provide proven tips for setting up shop, following a financial plan, working with investors, forming a marketing strategy, getting a film distributed, and more. Real-life anecdotes from a wide range of professionals from the production company trenches are both informing and entertaining.

- For aspiring filmmakers, producers, writers and directors
- Based on detailed interviews with a wide range of successful film professionals
