"Queer Screen" contains articles published in "Screen" between 1990 and 2004, spanning the period during which queer studies and the 'New Queer Cinema' flourished. It will include ground-breaking articles by Teresa De Lauretis, Chris Straayer, and Andy Medhurst, and will address issues of bodies and technologies, as well as reprinting the debate, spanning several issues of the journal, about the 'queer' movie "Boys Don't Cry".
