装帧:Pap

isbn:9780740755422

Slap your thigh, bang your hand, tap your head . . . when you have a pair of musical spoons in hand you command an endless percussion section. You don't have to be a hick to appreciate the rhythm The Redneck Spoons-Playing Kit has to offer, but it won't hurt The kit includes two metal spoons, an instruction booklet, and 10 song cards. You'll be tappin' away in no time.
