Jacket description.back: In all of Pinter's plays, seemingly ordinary events become charged with profound, if elusive, meaning, haunting pathos, and wild comedy. In The Caretaker, a tramp finds lodging in the derelict house of two brothers; in The Dumbwaiter, a pair of gunmen wait for the kill in a decayed lodging house. Harold Pinter gradually exposes the inner strains and fear of his characters, alternating hilarity and character to create and almost unbearable edge of tension.

The Caretaker: 1. Davies is an old impostor who abuses Mick's and Aston's sympathy. 2. Mick is an insightful trademan who takes in his brother Aston. 3. Aston has received lobotomoy so he behaves somehow nutty but merciful. We can also see some influence from Waiting for Godot. The Dumb Waiter is an exciting, imposing, and self-contained drama.
