Quick and easy instruction for the impatient student The electronic keyboard is by far today's most popular way of making music. Recent advances in the development of

portable keyboards have resulted in features that are easy to use, sophisticated-sounding, and accessible for novice players. With the aid of this book, even the individual who doesn't know a quarter note from a bank note can have fun with the portable keyboard The easy-to-follow, four-part instruction takes you from absolute music basics right up through some musical 'tricks of the trade' to dress up your playing style. A comprehensive chord chart is also provided for those who choose to play fingered chords.
