出版时间:1989-5

装帧:Pap

isbn:9780871662668

Madeline MacNeil's performances are characterized by her effortless vocals and impeccable mountain and hammered dulcimer playing. In this book she reveals some

of the secrets of her success with the mountain dulcimer. Early on, she reminds the reader that "the dulcimer is not a toy or a stringed kazoo" but a serious, expressive musical instrument capable of "stretching as far as the imagination". She endorses both playing by ear and learning to read standard notation. In easily-understood language she manages to explore some very complex, even esoteric concepts, making this a particularly valuable book for the beginning instrumentalists. You Can Teach Yourself Dulcimer is simply a great fundamental book. Twelve intensive lessons in 95 pages. Standard notation and tablature. Illustrated with photographs and drawings.
