Woza Albert! is based on one dazzlingly simple idea - that the Second Coming of Jesus Christ should take place in present-day South Africa. This brilliant two-man show from the Market Theatre, Johannesburg, took the Edinburgh Festival then London by storm in September 1982, playing to standing ovations every night. It was also seen in Berlin, Los Angeles, San Francisco, Seattle, Philadelphia and twice on BBC TV. This edition contains a new introduction by Yvette Hutchison

## 评论

貌似与我们的先锋戏剧有诸多共通之处。
