isbn:9780380711116

Prankster, warrior, seducer, fool -- Old Man Coyote is the most enduring legend in Native American culture. Crafty and cagey -- often the victim of his own magical intrigues and lusty appetites -- he created the earth and man, scrambled the stars and first brought fire . . . and death. Barry Lopez -- National Book Award-winning author of "Arctic Dreams" and recipient of the John Burroughs Medal for his bestselling masterwork "Of Wolves and Men" -- has collected sixty-eight tales from forty-two tribes, and brings to life a timeless myth that abounds with sly wit, erotic adventure, and rueful wisdom.
