

Photographic Guide to the Birds of India

[Photographic Guide to the Birds of India_ 下载链接1_](#)

著者:Amano Samarpan

出版者:Scb Distributors

出版时间:2006-6

装帧:Pap

isbn:9788183280297

Awarded Best Produced Paperback Book of 2006 by the Federation of Indian Publishers, this pocket-sized photographic book makes accurate identification of more common birds in the field possible. The photographs, all taken in the wild and India, clearly show the birds often with a variety of plumages while the text details the life of these colourful creatures. There is also a personal introduction to the experience of birding in India with reference to relevant books and websites. Ideal for any visitor to the Indian subcontinent.
