A delicious twist on erotic romance, and the debut collection from a hot new author. Three novellas. Two interlocking stories. One sizzling read. Nice set up: one spirited woman in Kit Townsend, and two hot buddies, Ryder and Mac, who take turns giving Kit what she needs. It's the perfect no-strings triangle and while it doesn't exactly follow the rules, neither does Kit. But when love unexpectedly throws these three friends for a loop, can they still have a happy ending? And then there's Mia Malone, a sweet Dallas girl who had big dreams for the future when she first met Texas Ranger Logan Kincaid. That fairy tale was a lifetime ago. Today, framed for drug possession, she's forced to work undercover at a strip joint where several working girls have disappeared. Then in walks Logan-her protector, savior, and lover.
