Startling new archaeological discoveries and such groundbreaking cultural phenomena as The Da Vinci Code and The Passion of the Christ have sparked a renaissance in impassioned controversies about religion and the life of Christ. Now, Sylvia Browne, with the help of her spiritual guide, delivers the truth about Him, His teachings, and His works for God as she answers such provocative questions as: - Was there a virgin birth? - Was there a Star of Bethlehem? - What did Jesus do for the first 30 years of his life? - What really happened at the crucifixion? - Was he married? Was he divine? - Is a Jesus lineage a possibility? In Browne's own words, the answers may "rattle the cages" of her millions of readers-answers that could only have come from someone who has visited the afterlife.
