From choosing a guitar and reading tablature to learning picking patterns and playing power chords, find out everything you need to know to start strumming in style. Chord progressions and riffs are illustrated using clear tab diagrams, and additional photographs indicate correct fingering positions. Includes an at-a-glance directory of illustrated chords and scales, with tips on playing everything. The free music CD includes various chord progressions as well as play-along tracks. Over 200,000 copies sold worldwide.
