The story continues... The Bondage Fairies are called Hunters. They have to be at least 100 years old to become a Hunter and are caretakers of the forest. It is their duty to

protect and nurture all the little critters in the woods be it mammal, fowl, reptilian, or insectoid. Meet Pamila and Pfil. These two horny little Bondage Fairies have no restraint and along with their care for all-things-natural usually wind up having crazy wild sex with all the creatures of the woods including themselves. In this volume...3 evil fairies have given imprisoned Pfil a powerful aphrodisiac to sexually torture our favorite fairie girl. It is here that Pfil finds a new friend in a male fairie that helps Pfil get through her insanely lustful ordeal. Meanwhile Pamila is off in another part of the forest making it with a bat. If she only knew how much Pfil needed her help right now. Creator Kondom brings us into his fetishistic world of love, lusty graphic sex, and two darn cute little fairies.
