Say goodbye to ceremonial robes, incense, candles, and oils. Donald Tyson presents a new, easy way to perform ritual magic with only one tool: tarot. From manipulating elemental forces of nature to making potent charms, all ceremonial rituals can be performed with a standard 78-card deck.

Tyson's efficient system of tarot magic is based on the Golden Dawn tradition, which corresponds with tarot imagery. He teaches how to work magic on the astral level by projecting one's awareness into the ritual tarot layout. Learn how to set up an astral temple, build an altar, cast a magic circle, and create a triangle through which to actualize your purpose. This innovative guide to tarot magic also includes rituals related to unions, business, banishing, and evoking elementals.

作者介绍:

Donald Tyson is a Canadian from Halifax, Nova Scotia. Early in life he was drawn to science by an intense fascination with astronomy, building a telescope by hand when he was eight. He began university seeking a science degree, but became disillusioned with the aridity and futility of a mechanistic view of the universe and shifted his major to English. After graduating with honors he has pursued a writing career.

Now he devotes his life to the attainment of a complete gnosis of the art of magic in theory and practice. His purpose is to formulate an accessible system of personal training composed of East and West, past and present, that will help the individual discover the reason for one's existence and a way to fulfill it.
