Today, lots of women would love to integrate their passion with their career and are seeking advice on how to do just that. Michelle Goodman, a self proclaimed, "wage-slave" has written a fun, reassuring, girlfriend-to-girlfriend guide on identifying your passion, transitioning out of that unfulfilling job, and doing it all in a smart, practical way. The Anti 9-to-5 Guide realizes that not every woman wants the corner office, in fact, some women don't want to be in an office at all. Today's women are non-traditionalists, do it yourself sort of girls who want to travel the world, take up knitting, frolic in the land of freelancing but want to do it all without going broke. The Anti 9-to-5 Guide provides readers with the resources you need to have it all and still have a place to sleep. Michelle suggests great tips for easing into the life you want. With an entire chapter devoted to pursuing your passion on the side, The Anti 9-to-5 Guide encourages us to tweak our current career path or head down a new one, and ultimately succeed.
