Going somewhere? Wish you were? There's no time like the present for planning that dream trip. Both travel guide and travel journal, this is the place to plan, dream, document experiences, and keep track of important details. Abroad is packed with inspiring tips and travel information, and features two pockets for storing tickets and maps, an elastic band, and enough amusing asides from fellow travelers to keep you smiling through most train and bus rides. With Abroad in hand, the trip never has to end.
