出版时间:2006-11

装帧:HRD

isbn:9781592236732

Guitar enthusiasts everywhere will soon be shouting "Hallelujah!" when they get their hands on the Totally Interactive Guitar Bible. This is the most original and comprehensive guitar resource available.

- Contains four fully-integrated components packaged in a deluxe easel.
- The DVD features guitars of all types demonstrated by the author and recording artist Barrie Cadogan. You'll learn about the history of each make and model and how to bring the instruments to life. Clips feature great players like Stevie Ray Vaughn, Carlos Santana, and Slash.
- The Reference Book lists all of the facts, figures, and insider information about guitars — the top makers, their iconic models, the rare and famous instruments.
- The Tutorial comes in its own bound flip chart folding music stand and includes 100 specially-written graded exercises for playing the guitar across a range of styles, from rock and blues to jazz and country.
- The CD showcases all 100 of the graded exercises played and recorded by professionals to help you hone your style and technique.
- Guitar fans, get ready to hoist your lighters — this book is finger pickin' good!
