From Longman's Cultural Editions series, *Antony and Cleopatra*, edited by David Quint, presents William Shakespeare's classic work along with a critical introduction and contextual materials on and from the period. Handsomely produced and affordably priced, the Longman Cultural Editions series presents classic works in provocative and illuminating contexts--cultural, critical, and literary. Each Cultural Edition consists of the complete text of an important literary work, reliably edited, headed by an inviting introduction, and supplemented by helpful annotations; a table of dates to track its composition, publication, and public reception in relation to biographical, cultural and historical events; and a guide for further inquiry and study. One Longman Cultural Edition can be packaged at no additional cost with any volume of *The Longman Anthology of British Literature* by Damrosch et al., or at a discount with any other Longman textbook.
