Experienced backyard horsekeeper Joan Fry leads the prospective horse owner through the process of assessing suitable land; choosing a veterinarian and farrier; constructing and furnishing a small barn, paddock, and arena; purchasing a horse; and feeding and care. Of special value to both novice and experienced owners are the sections on feed, which take into account the most up-to-date nutrition research, and training the horse for safe and enjoyable trail riding. Written with encouraging cheer and plenty of "horse sense," Backyard Horsekeeping leads the way to maintaining and enjoying your own horse on your own property.
