装帧:Pap

isbn:9780825633829

This straightforward and accessible method to learning classical guitar combines traditional methods with a fresh and modern approach. The easy-to-use book is complemented by an audio CD with demonstration tracks, as well as free

downloadable examples of the tracks presented at a slower tempo. It explains all basic classical guitar techniques, including free stroke, rest stroke, arpeggios, slurs, and much more, all presented with the help of photographs and diagrams. There is also clear instruction on how to tune correctly and read music before guiding you through a great selection of well-known solo classical guitar music. Includes a 60-page repertoire section featuring over 50 pieces in all styles from Renaissance to Baroque - everything you need in one book
