出版者:A K Pr Distribution

出版时间:2007-9

装帧:Pap

isbn:9780977055746

A fascinating graphic novel that details the art and science of screenprinting from inception to printed t-shirts. It teaches you how to build a screen, burn an image, test how things are going, pull ink, wash out screens, and creative ideas. A true joy to see the exaggerated illustrations while learning such a useful and practical craft. How to

turn your home into a t-shirt factory Essential for people who don't know how to screenprint or those who are a bit rusty. The expanded sections talk about John's personal experience selling printed shirts on the street in Berkeley and working on a t-shirt printshop. Crucial information and entertainment.
