When popular author Adrian Calabrese's father was in surgery for a life-threatening medical condition, she asked for a sign that he would survive-and she immediately received one. Now she shares her secrets for getting clear guidance from the Universe in "Sacred Signs, " teaching readers a simple three-step method for receiving divine messages.

Unlike other books on the subject, " Sacred Signs" is not a "sign dictionary." Calabrese believes that the interpretation of a sign is as unique as the individual receiving it. The original checklists and questionnaires throughout the book help readers focus their desires to more effectively communicate with the Universe. Success stories throughout the book provide inspiration and further demonstrate how to use this personal, nondenominational approach to interpreting divine signs.
