Looking for accurate, up-to-date data on development issues? This indispensable statistical reference allows you to consult over 800 indicators for some 150 economies and 14 country groups in more than 80 tables. It provides a current overview of the most recent data available as well as important regional data and income group analysis in six thematic chapters: World View, People, Environment, Economy, States and Markets, and Global Links. The CD-ROM editions contain 43 years of time series data, covering 1960 to 2004, and offers mapping, charting, and data export formats.
