isbn:9780786423156

This handbook is a reference for goat keepers. Valuable to beginners and veteran

keepers, it offers helpful information for enjoying the benefits of healthy, productive goats while minimizing costs and problems. The book contains information on the biology, origin and behavior of goats; their many uses; the breed characteristics and physical conformation (of dairy and meat types); buying and transporting tips; housing, fencing and other aspects of management; feed; estrus cycles and breeding; newborn care, udders and milk; horn removal, castration, hooves and foot care; diseases and health care; culling the herd; registering, showing and selling goats; and many other topics. Fully indexed, the work contains numerous photographs, charts and tables.
