Planning a wedding in New York—where your options are limitless but your resources might not be—is pretty daunting. City Wedding is the all-in-one bridal resource guide for the New York area, including New York City, Long Island, Westchester, New Jersey, and Connecticut. Joan Hamburg takes brides-to-be through the entire process of planning a wedding, from announcements to toasts, and everything in between. In addition to hundreds of resources for every price, taste, and style, Hamburg offers personal "In the Know" tips for each stage of the planning process. Whether you want

Vera or vintage, intimate or all out, City Wedding will help you make your New York wedding perfect.
