This cutting-edge book/audio package brings the music of David Garibaldi and the

music of Tower of Power to your practice room and provides an in-depth look at the concepts that David uses to create his futuristic, yet old-school grooves. * The 80-PAGE BOOK includes: detailed transcriptions by David, of his drum performance in each of eight tunes from T.O.P's most recent album "Oakland Zone" (Or Music), incisive commentary, photos, a biography, a suggested listening list and more. * The CD with all 8 tracks minus David's drums, allows you to "sit in" with this legendary band. Each track provides "clicktrack" count-in, followed by a complete "music minus drums" stereo mix including the lead vocals and solos. * The BONUS DVD-ROM with instrumental versions of these tracks in file formats that can be looped, slowed down using programs such as Acid and GarageBand and remixed using multi-track studio software such as ProTools, Cakewalk, or Nuendo for further exploration and study. Includes a ReadMe file and also a video tutorial with detailed instructions.
