Boasting never-before-told stories of life on the road with a young Elvis, this comprehensive guide to Elvis' band gives an insider's view of how the band worked with him onstage, in the studio, and in movies, and features the first comprehensive look at their post-Presley lives and careers. Band members Scotty Moore, D J Fontana, and Bill Black created the Sun sound with Elvis, which has influenced such legendary performers as Ringo Starr, George Harrison, John Fogerty, and Charlie Watts. Based on interviews with Moore, Fontana, and the family of the late Bill Black, this resource provides first-hand insights that have never before seen print, as well as several previously unpublished photographs. Extensive coverage of the entire history of the band makes this book is a must for Elvis fans, rockabilly aficionados, and anyone interested in the early history of rock 'n' roll.
