出版者:NBM

出版时间:2006-4

装帧:平装

isbn:9781561634743

The plot thickens as the legendary adults-only graphic novel continues with four more classic episodes. In this volume, the cast leaves the California sun behind to converge on Mipple City, where the nights are colder but there's plenty of heat generated behind

closed doors?until the corrupt Senator Bonner enters and casts a chill over the lives of all concerned. Collects issues 6-9. Introduction by Trina Robbins.
