著者:Henrik Ibsen

出版者:Nick Hern Books

出版时间:2005-9-1

装帧:Paperback

isbn:9781854598424

Filled with a passion for life that cannot be confined by her marriage or "perfect home," Hedda Gabler strives to find a way to fulfill her desires by manipulating those around her. Former artistic director of the National Theatre and top-flight director of both stage and screen, Richard Eyre helms his own new version of Ibsen's classic at London's Almeida Theatre in Spring 2005.
