装帧:Paper

isbn:9780738704685

The Sun impacts our lives like no other force in the universe. In addition to sustaining life on Earth, the potent energy of this mighty star can lend a powerful spark to daily magic. Taking readers on a magical exploration of the Sun, Dorothy Morrison teaches how the Sun can be used as a viable magical tool. She gives in-depth information on the Sun's cultural and religious history, its phases and energies (rainbows, solar eclipses, Sun storms, and so on) as they apply to magic and astrological implications.
