著者:Hansen, Richard K.

出版者:Independent Pub Group

出版时间:2006-4

装帧:HRD

isbn:9781579994679

A remarkable amount of historical information is covered in this comprehensive history

of the American band. Timelines and photos track developments in American band music from colonial drum and fife corps to the Big Band era; and useful tables compare band music milestones to those of other arts in western civilisation, events in US history, and with other American musical breakthroughs. The final section of the book discusses new directions in American music and predicts a bright future for the modern wind band.
