This story is set in London, 1877. Phoebe Flood, a watch mender's daughter from Blackfriars, is hired as lady's maid to the glamorous Louisa LeClerk, a high class tart with connections to the underworld of gentlemen pornographers. Fascinated by her new mistress and troubled by strange dreams, Phoebe receives an extraordinary education in all matters sensual. And her destiny and secret self gradually reveals itself when she meets Garou, a freak show attraction, The Boy Who Was Raised By Wolves.
